

The International Musculoskeletal Society (I.M.S.)

I.M.S. (formerly S.P.I.N.E.) is non-profit organization dedicated to the advancement of health care standards throughout the Middle East in the area of orthopedic surgery, neurological surgery, and pain & rehabilitation medicine.

Founded in 2008, I.M.S. is an association of pioneers in the field of orthopedic and spine surgery.

The Society's Mission is to improve the quality of life for people with pain and disability caused by orthopedic and neurological disorders.

I.M.S. achieves this mission through education and hands-on training to promote the most advanced surgical techniques and technologies.
